

SERVANT'S QUARTERS

**A monthly gathering of leaders,
partners, companions and volunteers.**

This gathering of the EDGE OUTREACH “community of faith” celebrates the work of Christ in all people all over the world. However, the main focus is on the places and the people involved in EDGE. This group lives together and works together and cries together and imagines together and, most importantly, prays together.

We want to inspire, harness and unleash the passion of God’s people. Furthermore, we hope to prepare and implement lifestyles and experiences of servanthood for the Love that has infused our hearts and the invitation that Love evokes.

Grillin' some meat...

...chillin' out back...

...and fillin' the table!
