

SKILLS INVENTORY WORKSHEET

This form is to be filled out by each participant and turned into your group leader.

Name _____

Use this Skills Inventory Worksheet along with the Tool and Supply List to serve as a resource for your group leadership and EDGE OUTREACH to better plan specifics at each worksite.

How to gather and use this information:

1. Write your name on the form.
2. Honestly evaluate your experience by CIRCLING the BOX at the skill level in EACH category. If you're under 21 and circle either a Medium Level or an Advanced Level, you MUST have a parent or guardian signature at the bottom of this form.
3. If you have a particular skill in something you think might be useful and it's not listed, describe it in the space provided below.
4. Give this Skills Inventory Worksheet to your group leader. They will then discuss with EDGE OUTREACH the projects your group will be undertaking at The Mission House.
